Real world performance

All Adria motorhomes are also designed to perform. Everything is meticulously designed, developed and tested to ensure your safety, comfort and enjoyment. Built to enjoy, built to last.

1_INSPIRED DESIGN.

Exclusive exterior styling with dynamic front profiles, stylish rear walls and signature features such as the Adria exclusive design features on many models.

2_BASE VEHICLES.

Perfect integration with the Fiat Ducato base vehicle, the latest Euro 6 engine and a range of driver and safety aids.

3_BODY CONSTRUCTION.

Adria's unique 'Complex' body construction combines the torsional strength of wood, the durability of polyester and the moisture-stopping properties of polyurethane.

4_CLIMATE CONTROL.

Designed for living, all year round, with optimised heating efficiency by Truma or Alde (model dependent). Precisely engineered and tested to extremes in our climate chamber.

5_INSULATION.

The latest thermal insulation materials, sophisticated heat and air flow management to Adria's 'Thermo-build' standards.

6_AIRFLOW.

Adria's sophisticated Air Flow System means every vehicle has integrated air-flow and ventilation.

7_WINDOWS & DOORS.

Large, advanced design panoramic windows with built-in features. All windows and doors integrated to ensure optimum natural lighting, ventilation, privacy and security.

8_FURNITURE & STORAGE.

Craftsman-built cabinetry integrated with heating and air flow for optimum thermal efficiency. Large garage design, with light and power and great storage solutions inside.

9_COMFORT.

Contemporary living spaces with optimised space and functionality for comfortable living and a home-style feeling.

10_CUSTOMER SERVICE.

Class-leading 2 Year General Warranty and 10 Year Water Ingress warranty as standard, a dealer network of over 500 dealers, and efficient after sales and parts service, with roadside assistance, where provided by the base vehicle manufacturer.

Some features may not be available on all models. Please check www.adria.co.uk for individual model specifications and technical details.

*conditions apply see website for details.

Body construction

Adria motorhomes have a reputation for being robust, which reflects our approach to design, construction and quality management.

Adria's unique 'Comprex' construction combines the torsional strength of wood, the durability of polyurethane and the moisture-stopping properties of polyester.

TECHNOLOGY

Advanced technologies are used in manufacturing, including Plasmateat, a robotized process which cleans and applies adhesive for perfect aperture sealing.

DOUBLE FLOOR

- 1 Composite wood panel
- 2 Polyurethane sealing
- 3 EPS Styrofoam
- 4 Exterior polyester body shell cladding (sidewall)

- 5 Exterior polyester body shell cladding (floor)
- 6 XPS Styrofoam insulation foam
- 7 Reinforced hardwood profile

Please check www.adria.co.uk for individual model specifications and technical details.

*conditions apply see website for details.

Climate control

Our motorhomes are built to Adria 'thermo-build' standards, making them suitable for use all year round. Featuring advanced insulation materials, precisely engineered heating design and Adria Air Flow System for ventilation and optimum circulation of air, cooling and heating.

All vehicles are tested in our own climate chamber, from -25 to +60 degrees and in humidity from 45 % to 80 % between +30 and +60 degrees.

Comfort is assured in warmer conditions, with good ventilation, integrated shading, screens and thermo-shielding in our panoramic windows. Optional air conditioning is also available to order.

HEATING

Truma warm air heating or **Alde** liquid based central heating, which distributes heat evenly throughout the motorhome.

*Some features may not be available on all models. Please check www.adria.co.uk for individual model specifications and technical details.

Fiat Ducato

The Fiat Ducato offers the latest in design, performance and features.

Powerful and efficient 2.2 l Multijet 3 (Euro 6.d Final) engines, at 140 HP and Power 180 HP.

A choice of manual or automatic gearbox, the latest exterior and interior styling, including new cabin, dashboard, infotainment systems, driver and safety aids.

Base Vehicles

We choose the base vehicle and chassis for each motorhome/ campervan for the best torsional strength, performance dynamics and interior living space design.

All vehicles offer the latest Euro 6 engines, advanced driver and safety aids.

EXTERIOR FEATURES

New exterior styling with new front grill, and many features available including black trim skid-plate and fog-lights with cornering function.

FIAT DUCATO LOW PROFILE CHASSIS

Proven chassis with the following features:

- Rigid rear axle with longitudinal parabolic leaf springs, & telescopic dampers.
- Up-to 4,400 kg MPTLM.
- 16" wheels optional for Light Chassis models.
